'Silver Coin' Challenge - Update

Well done and thank you to everyone who brought in loose change for the class 'Silver Coin' Challenge!

After much counting, we are very pleased to announce that we raised just over **£800** from this challenge, which means that the mobile planetarium **WILL** be coming to the school!!!

The classes who raised the most money in each school were...

Infant School ...

DONALDSON (Year 1) - who raised an outstanding **£140.55**

Junior School ...

ROWLING (Year 3) - who raised an amazing **£119.45**

The trophies were presented to the winning classes in each schools' assembly!

The winning classes will get to spend extra time in the planetarium and for all their efforts, the three classes that raised over £100 will also be rewarded with an extra playtime - this is **Donaldson (Infants)**, **Rowling (Juniors)** and **Morpurgo (Infants)**!

We are currently awaiting confirmation from the school, for a date for the planetarium.

As soon as it is confirmed and booked we will let you know.

Once again, we thank you all so much for your continued support - together we have made this exciting event possible for our children!

Amazing mobile Planetarium!

Our events rely solely on parents and teachers who can spare their time after school to assist. Without this it would not be possible for our fantastic events to happen.

You do not have to be a regular attendee of FoPS but if you can spare a couple of hours to help at an event then that would be fantastic.

Thank you for all your support which is what makes it all possible.

Thank you! **Michelle & Jane - FoPS Co-Chairs**

End of Term Disco - Update!

The children had a fantastic time at last months 'End of Term' Infant & Junior discos! Thank you to all the parents, carers and teachers that kindly volunteered their time and gave their support; without whom we couldn't hold these fun events for all our children to enjoy.
